

Surrey County Council 2, 3 & 4 Year Old Funding

At Woldingham Nursery Class, we deliver the Foundation Stage curriculum for 38 weeks a year. We are pleased to offer places for 2 year olds who are eligible for FEET Funding, Universal funding, 15 Hours per week for all 3 and 4 year olds as well as 30 hours funding for eligible children.

You can use the 15/30 hours funding per week flexibly for any of the sessions you wish your child to attend.

For example, your child could attend for 3 hours per day Monday – Friday or you may choose 2 full days, morning (9.15am – 12.15pm) and afternoon (12.15pm – 3.15pm) and an additional morning session or your child could attend for 5 hours per day for 3 days.

Extra morning or afternoon sessions and additional lunch hour sessions above the 15 hour per week funding remain payable at the standard rates

If your child is eligible for 30 hours Free Funding, the funding will cover all the available sessions each week. In order to apply for 30 hour funding, please visit www.childcarechoices.gov.uk

In order for us to claim the funding for your child, you will need to complete a **Declaration Form**. The Nursery will provide you with the Declaration Form.

The Declaration Form asks you for detailed information about your child and acts as a claim form for each term of funding.

When the Funding is claimed for the first term, we will also need to see your child's birth certificate or passport as proof of identity.

The declaration form and the proof of identity (for the first term of funding only) should be returned to the nursery manager.

Please Note: We are unable to claim the funding for your child if I do not receive the completed declaration form and when required, the proof of identity.

Woldingham Nursery Class follows The Code of Practice provided by Surrey County Council.
